# BOARD OF DIRECTORS CANDIDATES

## Chuck Edwards

Hello, my name is Charles Robert Edwards or Chuck as most people know me. I have lived in the Community of Niverville my entire life. My wife Lorraine and I have two children and four grandchildren.

I have been a member of the Niverville CU for 45 plus years. NCU has been our financial institution of choice, and I believe that it is important for Niverville CU to be there for the communities it serves. I retired from Manitoba Hydro after 35 years of service and have farmed for 45 years. During this time, I have gained experience in a wide range of skills including budgeting, Human Resources, Strategic Thinking and Decision Making. I have also coached community hockey throughout our children's minor hockey years. This led to coaching several years of AAA hockey. It was special to see players that I have coached go on to play junior, college, and Team Canada hockey.

I have served on the NCU Board of Directors for the past 4 years. During this time, I have gained valuable experience through my work on the NCU Governance Committee and in my current role as Chair of the Audit & Risk Committee. In addition, I serve on the Keystone Agricultural Producers (KAP) Board. I believe my past business and work experience make me a suitable candidate for a Niverville CU Directors position.

## Gord Kroeker

I have served 18 years in community organizations and 10 years on the Board of Niverville CU including being part of the Audit & Risk Committee and currently Chair of the Governance Committee. I have a strong passion for strength in local institutions, and an abiding passion for the members of our community. I am a suitable candidate to serve on the Board of NCU..
