

NOW'S THE TIME TO GO PAPERLESS

Effective November 30th, 2026 a \$2.50 monthly fee will be implemented for members who receive paper statements with the exception of our Golden members and members under the age of 19. International addresses are subject to an additional \$5 fee.

Why are we charging a fee?

Paper and printing costs as well as postage and delivery fees continue to increase.

What are the benefits of e-statements?

No Cost

Signing up for online statements is easy...and free!

Safe and Secure

Access your statements online whenever you need.

Earth-Friendly

Online statements are better for the environment.

Uninterrupted

Scenarios like mail strikes won't affect receiving your statements.

Convenient

Available online without the need to pick up a paper copy.
